Report of Principal and School Improvement Council

We have had an incredible year at Sheridan Elementary. Sheridan houses 528 students in pre-kindergarten through 5th grade. It is our belief that we are all stakeholders in the educational lives of every student. Through innovative and challenging educational experiences, we strive to meet the individual needs of all students at Sheridan.

Opportunities for students are abundant at Sheridan Elementary School. Students have access to computers in labs and in classrooms, as well as the use of StarBoards.

All third through fifth grade students received iPad this year. Students used the iPad at home and school to enhance learning.

Voyager, our school-wide intervention program, is one of the ways we ensure no child is left behind. Students have their individual learning needs addressed and met in math and reading intervention through this program.

Our Professional Learning Community (PLC) includes reviews of student work, student achievement data analysis, implementation of effective instructional practices, and reviews of current research. Since formal education is based on the premise that students learn as a direct result of classroom instruction, our teachers implement Explicit Direct Instruction (EDI). EDI helps teachers deliver effective lessons that can significantly improve achievement for all learners.

We also have maintained our partnership with the Twenty-First Century Afterschool Program which incorporated STEM lessons (Science, Technology, Engineering, and Mathematics) for students.

Our active Parent Teacher Association and School Improvement Council continue to support our instructional program. Students serve the community through a variety of service learning projects, which includes but is not limited to, Thanksgiving Food Drive, Relay for Life, March of Dimes, and Pennies for Patients.

Through the hard work and dedication of our students, staff, and parents, Sheridan Elementary "Home of the Super Stars" continues to be a great place for our students.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	64.5
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Sheridan Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
